

KenRubber Tiles

A Cushion effect tiles made from foamed rubber, for comfort whilst walking, playing or exercising on them.

The tiles do not need to be stuck down with adhesive, as they interlock and are held in place firmly.

Colors available: Black, Grey, Red and Green

Available in sizes:

600mm x 600mm x 20mm

300mm x 300mm x 20mm

Ideal for:

- Nursery Schools
- Gymnasium
- Indoor and Outdoor play area
- Sport grounds
